

Who We Are: How to Explain OEC

OEC Champion Training Worksheet Step #2

What statement would you use to explain OEC (and your involvement) to your friends and family? Practice this statement, so you are prepared to do outreach in your local community. Remember it should only be between 30 seconds and 1 minute to tell someone about OEC, to ensure you keep the attention of your audience. Refer to page 12 in your Volunteer Resource Guide for assistance.

A large, empty rectangular box with a thin black border, intended for the user to write their statement explaining OEC and their involvement.

When you are finished please return this worksheet to the Community Outreach Coordinator.
Thank you!
