## Eco-Healthy Child Care: Trainer Agreement

### TRAINERS

Trainers will be listed as **approved trainers** in the *Eco-Healthy Child Care* curriculum, meaning that trainers will complete the training of trainers for the *Eco-Healthy Child Care* curriculum conducted by the Oregon Environmental Council (OEC). Trainers are **active trainers**, meaning that trainers will provide *Eco-Healthy Child Care* training sessions. OEC will maintain the list of approved and active *Eco-Healthy Child Care* trainers. OEC will maintain current contact information for the certified and active trainers. OEC will provide current contact information regarding available approved and active trainers to the childhood care and education community. OEC will provide only contact information and will not provide recommendations or preferences for trainers. This contact information may be disseminated through mailers, brochures, websites, etc.

### TRAINER SUPPORT

Approved and active trainers are authorized to keep the *Eco-Healthy Child Care* trainer guide and other trainer resources as long as they continue to provide *Eco-Healthy Child Care* training. OEC may add resources to the trainer materials as funds allow. Trainers will receive general trainer support from OEC (updated information, materials, curriculum revisions, certificates, etc.) as available. To maintain approved and active status, trainers agree to attend any mandatory trainer refresher sessions provided by OEC.

### CURRICULUM

Trainers agree to use the *Eco-Healthy Child Care* curriculum and training sessions as established in the *Eco-Healthy Child Care* trainer guide. Trainers agree to present the curriculum materials in accordance with the *Eco-Healthy Child Care* presentation format, session sequence, agenda, concepts, etc. as established in the trainer guide. Trainers agree to use the materials only in established session formats. Trainers agree that each *Eco-Healthy Child Care* session participant will receive the prescribed participant handouts for each session.

### ADVERTISEMENT OF THE TRAINING

OEC will provide information about the session titles, core knowledge categories, knowledge set, session descriptions, standards-based objectives, and objectives-based evaluation items to the trainers. Trainers and training organizations will use this information in their advertising of the *Eco-Healthy Child Care* training sessions. Trainers may coordinate, publicize, and conduct the training sessions as desired or may work with organizations that sponsor training. Trainers may offer the sessions free of charge or for a fee. When a fee is charged, trainers agree to charge a "reasonable" amount for the training session in order to make the training easily accessible to childhood care and education professionals.

### ROSTER/CERTIFICATES/EVALUATIONS

The approved and active trainers will receive sample attendance rosters from OEC that may be used. Trainers agree to have participants sign-in by using the sample rosters or ones provided from the training organization. Any roster used must contain at a minimum all the information in the sample. The trainers agree to keep rosters from their independently-offered training sessions and to submit them upon request of OEC.

Trainers will receive their own original standard certificates for each *Eco-Healthy Child Care* session. The trainers agree to provide certificates to each participant who completes each *Eco-Healthy Child Care* training session. Certificates from a training organization must contain all the language contained on the OEC-issued

certificate. The trainers agree to issue certificates with individual participant names printed on the certificates and with trainer signatures. The approved and active trainers will receive an original standard evaluation form for each training session. The trainers agree to provide an opportunity for an anonymous evaluation by each participant who completes each training session. The evaluation form may be the trainer's own evaluation form or the evaluation form from a training organization. Trainers agree to keep evaluations from their independently-offered training sessions and to submit them upon request of OEC.

#### **TRAINER SURVEYS**

Approved trainers agree to participate in trainer surveys, conducted by OEC, by returning the surveys indicating number of sessions conducted and other information about condition of training materials, needs for replacement materials, etc.

#### **USAGE RIGHTS**

The *Eco-Healthy Child Care* trainer guide and accompanying trainer materials are to be used only by *Eco-Healthy Child Care* trainers approved by OEC. The *Eco-Healthy Child Care* trainer materials may not be reproduced without consent of OEC. The participant handouts may be copied for personal or educational use but may not be used for economic benefit other than *Eco-Healthy Child Care* training sessions without the consent of OEC.

#### **NAEYC CODE OF ETHICAL CONDUCT AND ADULT EDUCATOR SUPPLEMENT**

Trainers agree to follow the ideals and principles contained in NAEYC's Code of Ethical Conduct and Supplement for Adult Educators, which can be found at [http://www.naeyc.org/about/positions/ethical\\_conduct.asp](http://www.naeyc.org/about/positions/ethical_conduct.asp).

I have read this trainer agreement and agree to abide by the stated principles.
